

Snow Route Information

In the event of inclement weather, our district may need to utilize "snow routes" to help our students and school buses get safely to & from school. These alternate routes allow the buses to run on most major roadways while avoiding some of the more difficult roads.

If winter weather forces the buses to operate on snow routes, these announcements will be made using local radio and TV media, the Pangburn School District website and with the Remind App.

Because of the wide variety of roads and terrain on which we operate, it is not uncommon for roads to be fully passable in some areas of the District while others are still iced or snowed in, particularly different between White and Cleburne Counties. On some days, we may operate full routes in some areas while still running snow routes in others. These variations will be announced in the same way that snow routes for the whole District or school closings would be. Please listen to the announcements carefully to get the information particular to your area or bus route.

The 2018-19 snow routes for Pangburn Public Schools are listed below. Please note the exceptions to your students' regular bus route for inclement weather operations.

Please remember that times will vary from standard route pick-up/drop off times. The bus will stay at snow route meeting points for an extended stop in attempt to keep the route as close to normal time as possible and allow time for students at arrive at the bus stop. Please have your students at the designated meeting points in plenty of time.

Also, please ensure that your students dress warmly and appropriately in case the bus is running late, or even if they are standing out waiting for the bus to arrive at the scheduled time in the mornings or while loading buses at school in the afternoon.

2018/19 Snow Routes

(RABBIT) ALBION ROUTE: The bus will run down Hwy 16 south to the Albion Store, turn east on Albion road and go the intersection of Albion road and Fairview road where it will turn around and return to school. Students south of the Albion store will need to catch the bus at the Albion store. Any students on the side roads off Albion Road will need to catch the bus on the side of Albion road. Any students east of Fairview road will need to catch the bus at the intersection of Albion Road and Fairview.

(WHALE) HICKORY FLAT ROUTE: The bus will the run the main roads to Hickory Flat (Hwy 124/Hwy 305) and stop at Hickory Flat Fire Station. Any Students on county roads in this area will need to catch the bus at the Fire Station. The bus will then return on the main roads (Hwy 124/Hwy 305) to school.

(DOG) HWY 124/305 ROUTE: The bus will stay on the main roads of Hwy 124 and Hwy 305. Students on side roads will need to catch the bus on the side of Hwy 124 and Hwy 305.

(COW) MCJESTER/ EAST SIDE OF HWY 16: The bus will run Hwy 110 and turn right on Mcjester Road and go to the Mcjester Baptist Church. Any students east of the church or on side roads off Mcjester Road will need to catch the bus at this location. The bus will then return towards Pangburn. Any students living off any side roads off Hwy 110 will need to catch the bus on the side of Hwy 110. The bus will then run its normal route down Hwy 16 and return to school.

(BIRD) FAIRVIEW/CLAY ROUTE: The bus will only run on Fairview and Clay roads. All students will have to catch the bus on the side of these two main roads.

(MONKEY) WILBURN ROUTE: The bus will stay on Hwy 110 and turn around at the Wilburn General Baptist Church in Wilburn. Any students west of the church will need to catch the bus at this location. The bus will run Hwy 110 south and turn right on Rainbow DR. The bus will stop at the intersection of Rainbow Drive and Chinkapin Drive. Any students west of this intersection will need to catch the bus at this location. The bus will then return to Hwy 110 and return to school.

(ELEPHANT) LETONA/HWY16 ROUTE: The bus will not turn down Crook Road; These Students will have to catch the bus on the side of Hwy 16. No other changes to the route.

(DINOSAUR) W. PANGBURN ROUTE/PINE SNAG: The bus will stay on Hwy 16. All students will have to catch the bus on the side of Hwy 16. The bus will turn around at Sexton Creek Road and return to Pangburn.

IF SNOW ROUTES ARE RAN FOR THE MORNING ROUTE, THEY WILL BE RAN FOR THE AFTERNOON ROUTE ALSO.
