Ice Skating Lesson

Bella and Sam went to Swan Lake for a skating lesson. Miss Smith, their instructor, waited for them on the ice. Bella and Sam held hands and pushed off. They slid slowly across the ice. Suddenly, Bella began to wobble. Sam began wobbling too. *BOOM!* Bella and Sam went crashing to the ice. Miss Smith raced over to help them.

"If you fall, get up and try again," Miss Smith said. Bella and Sam weren't sure. They were scared now. Miss Smith went on to tell them about the time she fell. "I would never be the skater I am today if I quit after I fell."

Bella and Sam listened to Miss Smith and tried again. They glided very slowly, first left then right. "We're skating!" Sam shouted. Before long, they could go faster. Bella and Sam zoomed across the ice. They can't wait for their next lesson.
