

PANGBURN SCHOOL

ATHLETIC HANDBOOK

2019-2020

INTRODUCTION

The Pangburn School Athletics Handbook is a reference guide for coaches, student-athletes and parents concerning the policies that govern interscholastic athletics at Pangburn School.

Sound reasoning, good judgment, and adherence to the school's core values will be the standard by which situations outside these stated rules and regulations are determined and evaluated.

Athletics is a voluntary program. Students are not obligated to participate and participation is not required for graduation. Thus, competition in high school athletics is a privilege and not a right. Accompanying this privilege is the responsibility to conform to standards established for the high school athletic program. This privilege may be revoked if the athlete fails or refuses to comply with the rules.

PHILOSOPHY

The Athletic Department is an integral part of the total educational process of The Pangburn School District. Being involved in athletics provides the student with opportunities to learn skills, good sportsmanship, develop leadership skills and learn the ideals of fair play and ethical behavior that are necessary for competition and cooperation in our society. It should also provide our students with the unique opportunities for self-discipline, self-sacrifice, and loyalty to the students to participate in athletics by offering a well-rounded program of interscholastic athletics for young men and women.

SPORTSMANSHIP ADVANCEMENT POLICY

We, the Pangburn School Board of Education and Administration, believing that athletic competition with sportsmanship builds positive character traits in our student body, do establish the following policies and procedures to help promote and to encourage positive sportsmanship behavior. We establish these policies and procedures and expect strong support from our administration, coaches, students, school employees, parents and patrons of our school district and community. To promote positive sportsmanship behavior at all school sponsored activities, we the Pangburn Board of Education establish the following Policies and Procedures.

VERBAL ABUSE

In the event that a person or persons, in the course of a school sponsored event or on the school property, uses bad language (cursing or vulgarities), the School Board reserves the right to suspend said person or persons up to, but not limited to, one year from all school sponsored activities as well as from school property. In the event that a person or persons direct bad language toward a referee or school official, then the suspension will be upheld and the person or persons will be prosecuted to the full extent of the law.

If a person or persons are ejected from the game for such activities, then additional time or punishments may be added at the School Board and Administration's discretion.

In the event that a person or persons makes a verbal threat toward a referee, school-official or other fan or guest, then that person or persons will be subject to a minimum of one year suspension for all school activities and said suspension can range in length up to and including a life-time suspension, depending on the severity of incident and the School Board's discretion.

PHYSICAL ABUSE

In the event that a person or persons enter the field of play, court area or any restricted area during a school activity, then the person or persons will be

deemed guilty of physical misconduct and trespassing. These person or persons will be subject to, but not limited to a one year suspension, depending on severity of incident and the School Board's discretion.

In the event that a person or persons makes physical contact with a referee, umpire, school official, coach, student or other fan, they will be subject to no less than a one year suspension and said suspension can range to a life-time suspension, dependent on the severity of incident and the School Board's discretion. The person or persons will also be prosecuted to the full extent of the law in such matters.

In the event that a person or persons brings a weapon of any type on school grounds, that person or persons will be subject to a life-time ban from all school activities and school property. The person or persons will be prosecuted to the fullest extension of the law.

AUTHORITY

The Pangburn School Board and Administration reserve all rights of determination of activities, violations and suspensions.

Any person deemed guilty of verbal or physical abuse has the right of appeal. The accused person or persons will make arrangements to appear before the School Board at the School Board's convenience. The accused will contact the Superintendent and ask to be put on the upcoming agenda. The review will not be automatic and it will be the accused party's responsibility to make the appropriate arrangements.

HEALTH ELIGIBILITY

All students must present a physical examination each school year from grades 7-12 in order to assure that they have been examined by a doctor of nurse practitioner. This is to clear the individual to practice, as well as for competition. Pangburn Schools has partnered with the Harding University Physician's Assistants Program to provide this service at the end of the school year so the student/athlete can be eligible for the next year. If your child did NOT get a physical through this at the end of the last school year, he/she will be required to get one. (Any note signed by a physician or physician's assistant stating the athlete is cleared for practice/competition will be accepted.)

TRANSPORTATION

ALL members are expected to ride with the team to the games on the athletic bus. The bus will take all members to the game and back to the school after the contest. Parents or Grandparents may sign their child out to ride with them home from the game. To do so, the parent must see their child's coach or designated person and place his/her signature by the child's name on the Sign Out Sheet for that game. Any exception to these must go through a school administrator prior to the day of the game.

PROOF OF INSURANCE

Every participant must have a Proof of Insurance form filled out and signed by a parent. If you lose coverage, you must contact the coach to see what further action needs to take place. **(Form A)**

SAFETY

ACCIDENTS/INJURY

All coaches have medical forms for all players. Coaches are trained in First Aid, CPR, and AED. AAA has developed a Sports Medicine Fact Sheet for Athletes and Parents. This is regarding Heat Strokes, MRSA, Concussions, and Cardiac Arrest. Every athlete and parent must sign to acknowledge they have seen the AAA Sports Medicine Fact Sheet. **(Form B)**.

If an accident or injury occurs, the coaches will call the parent. If the injury is serious the coach will also call 911.

ILLEGAL AND PERFORMANCE ENHANCING SUBSTANCES

All participants are subject to a random drug test as stated and explained in the Student Handbook.

**GENERAL INFORMATION AND GUIDELINES
FOR
STUDENT-ATHLETES**

Athletes Responsibility to Academics

Academics must be a top priority! The athletic and administration staff of Pangburn School realizes that even though every effort to eliminate mission classes for athletic events is made, some events cannot be helped. Therefore, athletes should make an effort to be in attendance in all classes every day. Absences should be valid and legitimate.

All work missed must be made-up according to the classroom teacher's policy. It is the athlete's responsibility to request work from the teacher and complete it within the specified time frame.

Attendance

Students are expected to be in daily attendance at school before being allowed to play in a contest on the same day. Exceptions will be made only for legitimate reasons with documentation (doctor or dental appointments, court appearances, death in the family, etc.) Students MUST attend at least 4 class periods on game days. If the student misses any classes on that school day, the coach must be notified PRIOR to the day missed. The principal must approve ALL exceptions.

Expectations of Behavior

Athletes are expected to show good sportsmanship, honesty, respect, and integrity toward fellow players, coaches, teachers, administrators, staff, opponents, and officials. Profanity and abusive language or behavior is not to be tolerated. Student-athletes are ambassadors of the school and should be positive role models for the younger athletes in the community.

In-School Suspension/Out-of-School Suspension

If any athlete is assigned ISS or OSS, that athlete cannot participate in practice and/or games during the suspension period.

Practices

Coaches will have regular practices for their sport. Coaches may set practice times before/after school and/or while school is not in session. All coaches will abide by and respect the AAA mandated "Dead Weeks". The Summer Dead Period occurs the week of July 4th and the week prior to that. The Christmas Dead period will be Christmas Eve, Christmas Day, and either the day before Christmas Eve or the day after Christmas. These Dead Periods are set by AAA. During this time, no practices will be held, nor will any facilities be used or open.

Team

Athletes are members of a team. As a member of a team, athletes have an obligation and commitment to the team. The choices and decisions of each athlete will reflect on the team as a whole.

Uniforms and Equipment

Athletes are issued uniforms and equipment for each team. All must be returned promptly to the head coach after the last game. A student can be charged for the replacement cost and grades will not be released until all obligations are met.
