2-4.00 LIMITATIONS

2-4.01 If the provisions of Arkansas Code, Title 6, Chapter 18, Subchapter 19 and these rules conflict with a provision of an enforceable desegregation court order or a district's court-approved desegregation plan, either of which explicitly limits the transfer of students between school districts, the provisions of the order or plan shall govern.

2-4.01.1 Annually by January 1, a school district that claims a conflict under Section 2-4.01 of these rules submit proof from a federal court to the Division of Elementary and Secondary Education that the school district has a genuine conflict under an active desegregation order or active court-approved desegregation plan that explicitly limits the transfer of students between school districts.

2-4.01.2 A school district shall provide the information required under Section 2-4.01.1 of these rules to:

Office of the Commissioner

2-4.01.3 Proof submitted under Section 2-4.01.1 of these rules shall contain the following:

- 2-4.01.3.1 Documentation that the desegregation order or court-approved desegregation plan is still active and enforceable; and
- 2-4.01.3.2 Documentation showing the specific language the school district believes limits its participation in the school choice provisions of the Public School Choice Act of 2015.
- 2-4.01.4 Within thirty (30) calendar days of receipt of proof submitted under Section 2-4.01.1, the Division shall notify the school district whether it is required to participate in the school choice provisions of the Public School Choice Act of 2015.
 - 2-4.01.4.1 The Division may reject incomplete submissions.
 - 2-4.01.4.2 If the Division does not provide a written exemption to the school district, then the district shall be required to participate in the school choice provisions of the Public School Choice Act of 2015.
- 2-4.01.5 The Division shall maintain on its website a list of school districts that are not required to participate in the school choice provisions of the Public School Choice Act of 2015.
- 2-4.01.6 The State Board of Education may review a decision of the Division upon written petition of the affected school district and may affirm or reverse the decision of the Division.
- 2-4.02 There is established a numerical net maximum limit on school choice transfers each school year from a school district, less any school choice transfers into the school district under Arkansas Code, Title 6, Chapter 18, Subchapter 19 and these rules of not more than three percent (3%) of the enrollment that exists in the school district as of October 1 of the immediately preceding school year.
 - 2-4.02.1 If the application for a transfer that causes the school district to meet or exceed the three percent (3%) numerical net maximum limit under Section 2-4.02 is on behalf of a sibling group, then the school district shall allow all siblings in the sibling group to exercise school choice under Arkansas Code, Title 6, Chapter 18, Subchapter 19 and these rules.
 - 2-4.02.2 A student eligible to transfer to a nonresident district under Ark. Code Ann. §§ 6-18-227, 6-18-233, or 6-21-812 shall not count against the cap of three percent (3%) of the resident or nonresident district.

- 2-4.02.3 Annually by December 15, the Division of Elementary and Secondary Education shall report to each school district the net maximum number of school choice transfers for the next school year.
- 2-4.02.4 If a student is unable to transfer due to the limits under Section 2-4.02 of these rules, the resident district shall give the student priority for a transfer in the first school year in which the district is no longer subject to Ark. Code Ann. § 6-18-1906(b)(1) and Section 2-4.02 of these rules in the order that the resident district receives notices of applications under Ark. Code Ann. § 6-18-1905 and Section 2-3.00 of these rules, as evidenced by a notation made by the district on the applications indicating date and time of receipt.

2-5.00 APPEAL AND REPORTING

- 2-5.01 A student whose application for a transfer under Ark. Code Ann. § 6-18-1905 and Section 2-3.00 of these rules is rejected by the nonresident district may request a hearing before the State Board of Education to reconsider the transfer.
- 2-5.01.1 A request for a hearing before the State Board of Education shall be in writing and shall be postmarked no later than ten (10) calendar days, excluding weekends and legal holidays, after the student or the student's parent receives a notice of rejection of the application under Ark. Both districts may submit, in writing, any additional information, evidence, or arguments supporting its rejection of the student's application by mailing such response to the State Board of Education. Such response shall be postmarked no later than ten (10) days after the districts receive notice of the student or parent's appeal. Any response shall be mailed to:

Office of the Commissioner
 ATTN: Arkansas Public School Choice Act Appeals
 Four Capitol Mall
 Little Rock, AR 72201

- 2-5.01.6 The Division shall notify the student or student's parent, the nonresident district, and the resident district of the date, time, and location of the hearing before the State Board of Education.
- 2-5.01.7 As part of the review process, the student or student's parent may submit supporting documentation that the transfer would be in the best educational, social, or psychological interest of the student.
- 2-5.01.8 If the State Board of Education overturns the determination of the nonresident district on appeal, the State Board of Education shall notify the parent, the nonresident district, and the resident district of the basis for the State Board of Education's decision.

RULES GOVERNING PUBLIC SCHOOL CHOICE**

**CHAPTER 3:
THE OPPORTUNITY SCHOOL CHOICE ACT**

3-1.00 GENERAL REQUIREMENTS

- 3-1.01 Upon the request of a parent or guardian, or the student if the student is over eighteen (18) years of age, a student may transfer from his or her resident district or public school to another school district or public school under these rules if, at the time of the request either:
- 3-1.01.1 The resident public school district is an eligible school district which has been classified by the State Board of Education as a public school district in need of Level 5—intensive support; or
 - 3-1.02.2 The resident public school is an eligible school which has a rating of “F” under Ark. Code Ann. §§6-15-2105 and 6-15-2106.
- 3-1.02 Except as provided in Chapter 4, Section 4-1.01 of these rules, the parent or guardian, or the student if the student is over eighteen (18) years of age, must notify the Division and both the transferring and receiving school districts of the request to transfer no later than May 1 of the year before the student intends to transfer.
- 3-1.03 Each school district board of directors shall offer the Opportunity Public School Choice option within the public schools. The Opportunity Public School Choice option shall be offered in addition to other existing choice programs.
- 3-1.04 The parent or guardian of a student, or the student if the student is over eighteen (18) years of age, enrolled in or assigned to an eligible public school or school district may choose as an alternative to enroll the student in a legally allowable public school or school district that is not classified as a public school district in need of Level 5—intensive support or a public school that does not have a rating of “F” and that is nearest to the student’s legal residence. That school or school district shall accept the student and report the student for purposes of the funding under applicable state law.
- 3-1.05 Within thirty (30) days from receipt of an application from a student seeking admission under these rules, the superintendent of the nonresident district shall

notify in writing the parent or guardian, or the student if the student is over eighteen (18) years of age, whether the Opportunity Public School Choice application has been accepted or rejected. The notification shall be sent via First-Class Mail to the address on the application.

- 3-1.05.1 If the application is accepted, the superintendent of the nonresident district shall state in the notification letter the deadline by which the student must enroll in the receiving school.
- 3-1.05.2 If the application is rejected, the superintendent of the nonresident district shall state in the notification letter the specific reasons for the rejection.
- 3-1.05.3 A school district shall not deny a student the ability to transfer to a nonresident school under these rules unless there is a lack of capacity at the nonresident school.
- 3-1.05.4 A lack of capacity may be claimed by a school district only if the nonresident school has reached the maximum student-to-teacher ratio allowed under federal law, state law, the Rules Governing the Standards for Accreditation, or other applicable regulations. For the purposes of these rules, a school district may claim a lack of capacity if, as of the date the application for opportunity school choice is made, ninety-five percent (95%) or more of the seats at the grade level at the nonresident school are filled.
- 3-1.05.5 The race or ethnicity of a student shall not be used to deny a student the ability to attend a nonresident school under these rules.
- 3-1.05.6 Pursuant to Section 3-4.00 of this Chapter, a parent or guardian, or the student if the student is over eighteen (18) years of age, may appeal a school district's decision to deny admission to a nonresident school to the State Board of Education after the student or the student's parent or guardian receives written notice from the nonresident district that admission has been denied.
- 3-1.05.7 If any provision of these rules conflicts with a federal desegregation court order applicable to a school district, the federal desegregation court order shall govern.

3-1.06 For each student enrolled in or assigned to an eligible public school or school district under these rules, a school district shall:

- 3-1.06.1 Timely notify the parent or guardian, or the student if the student is over eighteen (18) years of age, as soon as practicable after the designation is made, of all options available under these rules; and

- 3-1.06.3 The opportunity to continue attending the nonresident public school or district to which the student has transferred shall remain in force until the student graduates from high school.
- 3-1.07 For the purposes of continuity of educational choice, a transfer under this Chapter shall operate as an irrevocable election for each subsequent entire school year and shall remain in force until:
- 3-1.07.1 The student completes high school; or,
- 3-1.07.2 The parent or guardian, or student if the student is over eighteen (18) years of age, timely makes application under a provision of law governing attendance in or transfer to another public school or school district other than the student’s assigned school or resident district.
- 3-1.08 Except as provided in Chapter 4, Section 4-1.03 of these Rules, a transfer under this Chapter is effective at the beginning of the next academic year.
- 3-1.09 Students with disabilities who are eligible to receive services from the transferring school district under federal or state law, including students receiving additional funding through federal title programs specific to the Elementary and Secondary Education Act of 1965, Pub. L. No. 89-10, and who participate in the Opportunity Public School Choice Act program, shall remain eligible to receive services from the receiving school district as provided by state or federal law. Any funding for the student shall be transferred to the school district to which the student transfers.
- 3-1.10 The receiving public school or school district may transport students to and from the transferring public school or school district, and the cost of transporting students shall be the responsibility of the transferring public school or school district except as provided under Sections 3-1.10.1 and 3-1.10.2 of these rules.

- 3-1.10.1 A transferring public school or school district shall not be required to spend more than four hundred dollars (\$400) per student per school year for transportation required under Section 3-1.10 of these rules.
- 3-1.10.2 Upon the transferring public school district's removal from classification as a public school district in need of Level 5—intensive support or the transferring public school's receipt of a rating other than "F," the transportation costs shall no longer be the responsibility of the transferring public school or school district, and the student's transportation and the costs of transportation shall be the responsibility of the parent or guardian or of the receiving public school district if the receiving public school district agrees to bear the transportation costs.
- 3-1.11 Unless excused by the school for illness or other good cause:
- 3-1.11.1 Any student participating in the Opportunity Public School Choice option shall remain in attendance throughout the school year and shall comply fully with the receiving school's code of conduct; and
- 3-1.11.2 The parent or guardian of each student participating in the Opportunity Public School Choice option shall comply fully with the receiving school's parental involvement requirements.
- 3-1.11.3 A participant who fails to comply with this section shall forfeit the Opportunity School Choice option.
- 3-1.12 A receiving district shall accept credits toward graduation that were awarded by another district.
- 3-1.13 The receiving district shall award a diploma to a student transferred under these rules if the student meets the receiving district's graduation requirements.
- 3-1.14 A district under the Public School Choice program shall request public service announcements to be made over the broadcast media and in the print media at such times and in such a manner as to inform parents or guardians of students in adjoining districts of the availability of the program, the application deadline, and the requirements and procedure for nonresident students to participate in the program.

3-2.00 REPORTING REQUIREMENTS

3-2.01 The Division of Elementary and Secondary Education shall develop an annual report on student participation in public school choice and opportunity school choice and deliver the report to the State Board of Education, the Governor, the House Committee on Education, the Senate Committee on Education, and the Legislative Council at least sixty (60) days prior to the convening of the regular session of the General Assembly.
